

Marketing & Design Services

Marketing & Communications

The award-winning CSCI Marketing and Communications Group is made up of a team of experienced communicators who bring a full-range of marketing and communications services to meet the needs of the commercial sector, as well as a host of public affairs tools to tackle the requirements of the government and military sector.

CSCI's marketing and communications services can deliver a comprehensive product to our commercial clients ranging from strategy and planning to implementation, design and delivery; or it can address a specific need such as a product rollout, rebranding effort, media relations initiatives, as well as tradeshow and special event planning and management.

The Marketing and Communications Group also brings a full complement of tools to the government and military sector in order to meet an ever expanding set of requirements. Whether there is a need for public affairs or crisis communications planning, speechwriting, media training, web design or expert counsel and advice, our group has the experience to bring your organization the success it needs in today's environment.
